MARK YOUR CALENDARS

SUMMER CONFERENCE ICC SEMINAR LINCOLN NEBRASKA JULY 22 & 23, 2010

2009 IRC Update

Length of Seminar: 1 Day

ICC CEU Credit: 0.6

Experience Level: Intermediate

Review the change from the 2006 edition to the 2009 edition of the International Residential Code. The background behind many of the changes will be discussed to provide the participant with an understanding of the intent of the changes and how to apply it to their everyday work. Discussion covered in this class will also include the code change process, wall bracing, fire sprinklers, plumbing, mechanical and electrical changes.

2009 IBC Update

Length of Seminar: 1 Day

ICC CEU Credit: 0.6

Experience Level: Intermediate

Reviews the changes from the 2006 to the 2009 edition of the International Building Code. The background behind many of the changes will be discussed to provide the participant with an understanding of the intent of the changes and how to apply it to their everyday work. Subjects covered in the class will include the code change process, mixed occupancies, atriums, accessible means of egress and many more.

Instructor: STEPHEN L. THOMAS, CBO President, Colorado Code Consulting, LLC

Mr. Thomas has thirty years experience in working with building codes including plan reviews, inspections and administration. His firm provides building code consulting services for governmental agencies and architectural firms, as well as educational seminars on building codes. Starting a building code-consulting firm in 1999, he has served as the contract Building Official for local jurisdictions in Colorado. Mr. Thomas has served on several ICBO committees and currently serves as the Chairman of the ICC Means of Egress Code Development Committee. He is also the author of the book, Building Code Basics, Based on the 2009 IBC available from ICC. He has presented building code classes for the last 25 years and provides an interesting and engaging look at building codes.
