

Division Manager — Building Codes Division

At the City of Olathe, Kansas we are “Setting the Standard for Excellence in Public Service” and we have the results and the awards to prove it! We have received national recognition for everything from Legacy and Advocacy awards, to LEED Certifications and Certificates of Excellence in Financial Reporting. Our customer service results lead the public sector, and our city has been recognized by Money magazine in 2008 as a “best place to live”. Our highly successful Wellness Program enjoys a 5:1 ROI and has become a model for programs nationwide, earning the City of Olathe mention in the 2011 *Fast Cities* issue of Fast Company magazine.

To continue this trend of excellence, we are recruiting for a Division Manager of the Building Codes Division. The Division recently became a part of the Olathe Fire Department. Your scope in leading this team will include Community Enhancement, Plans Examinations, Building Inspections, and Customer Service. In this role, you will work within the Fire Department structure to ensure the community has safe buildings; you will represent the division to all internal and external stakeholders; and you will lead, motivate, and develop your staff. If our values of customer service, learning, communication, teamwork and leadership through service align with yours, and you have proven success in leading a team of professionals to ever higher levels of performance, we would like to speak with you!

Qualifications:

- 8-10 years of progressive experience in the design, construction and inspection of public, commercial, industrial, and residential buildings, including 3-5 years with administrative and supervisory responsibilities.
- Bachelors Degree from an accredited college or university; major course work in engineering, architecture, construction management, business administration, public administration, or related field preferred.
- Possession of International Code Council certification as a Certified Building Official and valid driver’s license.
- Master Code Professional or the ability to obtain this designation once hired.

We offer a competitive total compensation package with opportunities for your growth and development. Salary: DOQ.

Apply online at www.olatheks.org or Human Resources, 100 East Santa Fe, Olathe, KS 66051. **Application Deadline: Open until filled.**
