SPRING CONFERENCE ICC SEMINAR NORTH PLATTE, NEBRASKA APRIL 23, 2010

Thursday: 2009 International Residential Code/ 2009 International Building Code Updates

Length of Seminar: 1 Day

ICC CEU Credit: 0.6

Experience Level: Intermediate

Description:

This class reviews the changes from the 2006 editions to the 2009 editions of the International Residential Code and the International Building Code. The background behind many of the changes will be discussed to provide the participant with an understanding of the intent of the changes and how to apply it to their everyday work. Discussion covered in the IRC portion of the class will include the code change process, residential sprinklers, guards, wall bracing and other significant changes. Subjects covered in the IBC portion of the class will include mixed occupancies, live-work units, ambulatory healthcare facilities and many more.

Instructor: Steven L. Thomas, CBO, President, Colorado Code Consulting, LLC

Mr. Thomas has thirty years experience in working with building codes including plan reviews, inspections and administration. His firm provides building code consulting services for governmental agencies and architectural firms, as well as educational seminars on building codes. Starting a building code-consulting firm in 1999, he has served as the contract Building Official for local jurisdictions in Colorado. Mr. Thomas has served on several ICBO committees and currently serves as the Chairman of the ICC Means of Egress Code Development Committee. He is also the author of the book, Building Code Basics, Based on the 2009 IBC available from ICC. He has presented building code classes for the last 25 years and provides an interesting and engaging look at building codes.
